football 1970

looked upon as a physically small group of inexperienced boys, the cantab football team of 1970 matured into men, turning in many stellar performances. the team won six games and lost only three. this was the best record a latin football team had compiled in eighteen years (6 and 3 in 1952).

a hard-hitting, punishing, confusing defense and many outstanding goal-line stands, kept four opponents from scoring a single point. they were: boston english (26-0), marion (6-0), winthrop (8-0), and arch-rival rindge tech (34-0).

the complicated but dedicated offense came through and did well all season, only being stopped by newton south (0-12) and amesbury (0-32). the other wins of the season came over a new city rival, matignon, (12-7), and weymouth south (28-14). boston latin produced the other loss (14-24).

captain keith barnette and assistant captains laurie pierce and waxy johnson kept the team closely knit together all season. the seniors played a big and very important role in the season. they were led by paul mceleatney, ed saras, pepper martin, bob kelso, mike pridham, rene marchando, joe pacelli, and phil coughlin. ken burns, moe cunningham, hubert butler, bob mccarthy, jerry fay, and carl oliveri contributed more than their share to the winning season. the juniors and sophomores came through for the team and helped greatly.

but the men who helped the team the most were the coaches, headed by jim coady. his able staff was made up of joe colanino, tom monroe, bill foster, and paul sullivan.

the team ended up ranking fourteenth in the tough e. mass. division 1, and having five of its players named on the boston herald-traveler all-scholastic honorable mention list. they were keith barnette, laurie pierce, ed saras, joe pacelli, and next year's captain, mike smith.

the seniors wish the team "good luck" next year.

edward saras

basketball

in our first three years at chls, the basketball team brought great pride to cambridge latin. we have this to be thankful for. despite the record of this year's team, 6 wins and 14 losses, we still maintain great pride in chls basketball. this record, however, does not reflect their talent, exemplified by the 4 year veterans, captain keith barnette, waxy johnson, arthur ryce, and first year man, michael j. pridham. led by all-star keith barnette, latin managed wins over arlington high, rindge tech, and two wins over weymouth south. in a big suburban league upset they defeated brookline high and in the final game of the year surprised tourney-bound catholic memorial. the inability of the team to win games was not due to a lack of spirit, but to a lack of height and the introduction of the toughest schedule in years, which included the three top finishers in last year's tech-tourney, boston english, catholic memorial, and

somerville high. they did not give up, however, and should be praised for never losing their spirit. a special thanks to coach john balfe and his assistant, john martin, for their unending devotion to a great team.

ken goode

hockey

because this year's hockey team was a very young and inexperienced one with only two returning lettermen, its final record of 2 wins (newton 2-1 and rindge 3-1), 15 losses, and 1 tie (brockton 2-2) does not reflect the true ability of its players. during the second half of the season, much improvement was noticed by coaches mr. fitzgerald and mr. murphy. with practice and patience, in two years we can look forward to watching this team play in the eastern-mass. state tournament. the team's inner strength is shown with its defeating newton which ended their chance at the out-of-state tournament, and with its defeating rindge after previously losing 7-1. there was no one outstanding scorer but sophomores edward lange, darryl donegan, and coleman mcdonough scored most of the goals. the other sophomores are ronald perry, mike crane, larry feloney, and francis conelly. the junior players on the team are dennis maragioglio, francis alcaro, billy fay, dana de furia, and david smith. the one freshman player is john o'brian. being the team's captain, and only senior, i, laurie pierce wish next year's team the best of luck knowing that chls has the nucleus of a very good team.

laurie pierce

swimming

the swim team, in a season of rebuilding, ended its year with a 5-5 record. the team has been plagued all year by lack of depth and injuries. three of the losses were by less than five points because the team intended to start out strong but lost the meets in the last two events.

seniors joe zalgenas, in the freestyle; dave mahoney, in the backstroke; richard dixon, in diving, and john mclellan, in freestyle, were instrumental in the wins this year and will be sorely missed next year. junior wells grogan went undefeated in the 200 and 100 yard freestyle and craig mullenmeister worked with wells in the hundred and the last relay. junior tom currier and freshman andy brubaker made up our 1-2 punch in the 100 breaststroke. finally, in the 100 yard butterfly, sophomore doug grogan lost only one race and helped the medley relay team. the team is looking forward to a good year and a state or new england champion in the person of wells grogan next year.

david mahoney

soccer

two years ago, chls fielded the best soccer team in this area, a boast on which this year's team built itself. however, the past was not with them, and the three returning lettermen from that team, seniors john cornelio, andy coulter, and ken goode, could not put enough together in 1970-71 to gain a victory. due mainly to inexperience in the eight other positions, the defense and offense could not co-ordinate to pull off any upsets. other senior members of the team included john gibbons and paul giacopoulos. thanks are due to coach fran foley in his first year at the helm, and our best wishes to him for better luck in the future. of course, the season would not have been complete without the lower class members to whom we wish the best of luck in their remaining years playing soccer at chls.

ken goode

cross-country

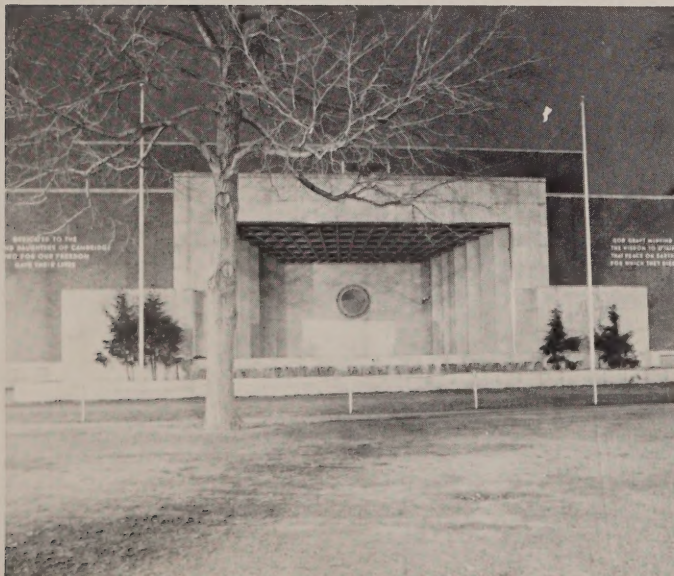

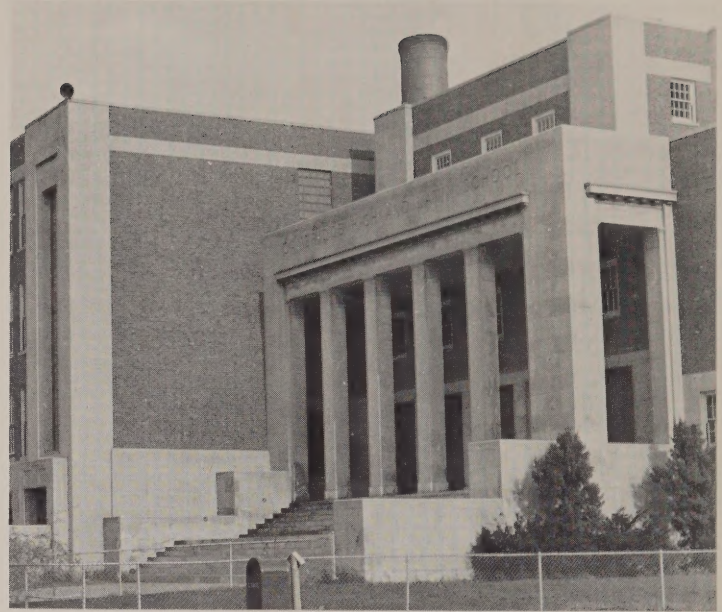

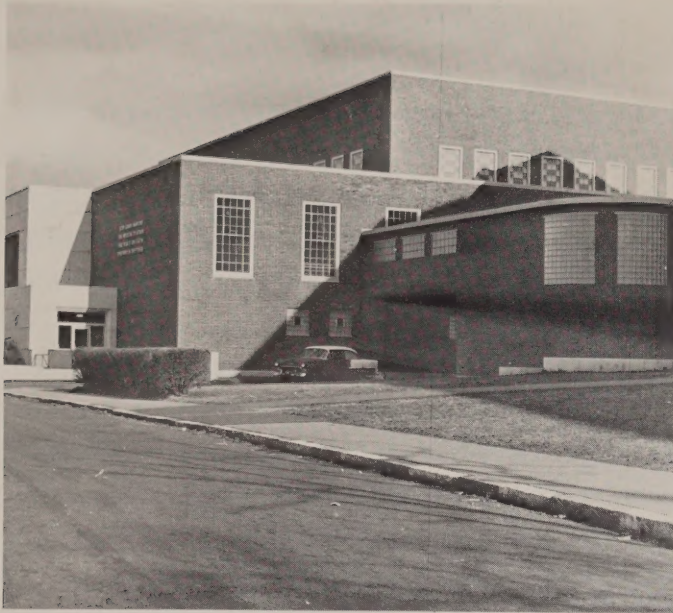

this year's cross-country team was led by captain bob gurry, junior bill durette and sophomore don ferguson. the team consisted mainly of young and inexperienced runners — the problem which accounted for the losing season: one win over brown and nichols and eight losses in the suburban league. there were some bright spots in the season. at fresh pond, bill durette set a new record of 11:49.8 — smashing the old record of 12:50. next year's co-captains, bill durette and don ferguson have their work cut out for them, but they can build chls into a respectable suburban league contender.

indoor track

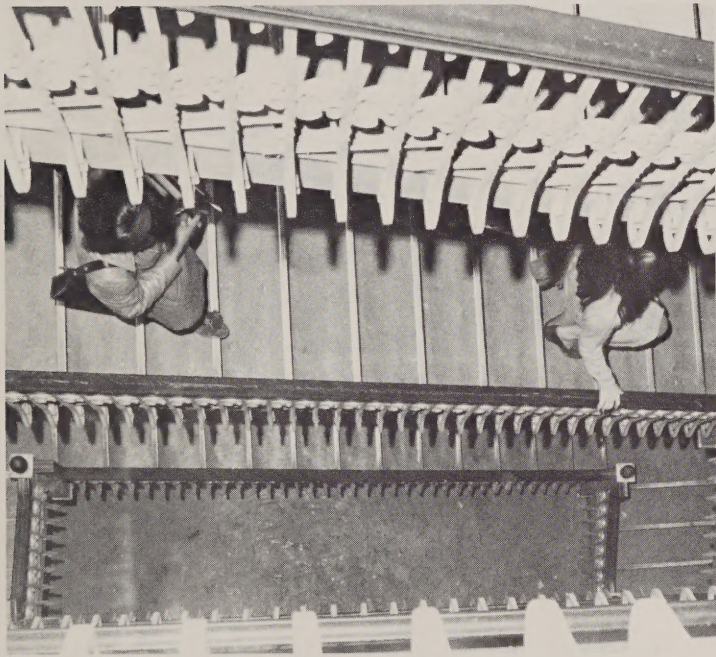

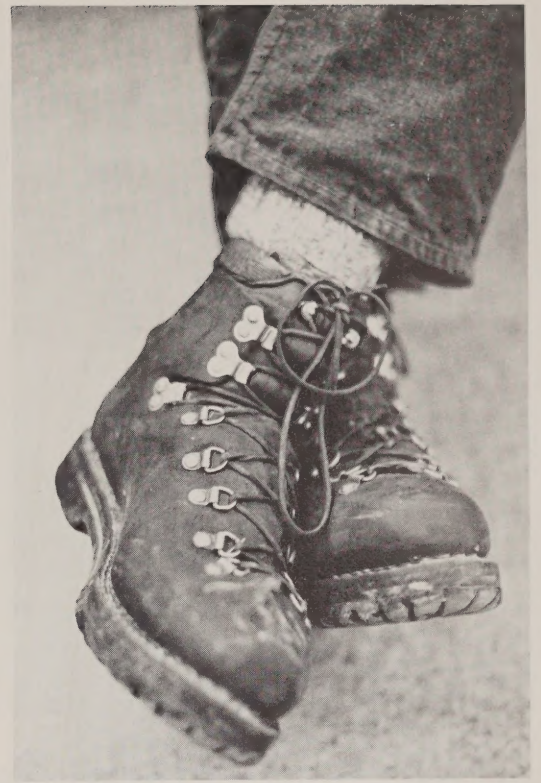

with new coach mr. don murphy, track is now in the rebuilding stages at c.h.l.s. led by co-captains paul macelearney and bob gurry, and senior hubert butler, this year's indoor track team set out to compete in the tough metropolitan league. the team gave their best but were beaten because of a lack of depth. junior bill durette became the class b indoor two-mile champion. sophomores don ferguson and tony pini are the runners to watch in latin's upcoming seasons.

bob "guts" gurry

"what kind of a car is that, and what is it doing here?"

now, for the outside world . . .

"did you park the car?"

"and they call this guy a flirt?"

"two votes!"

epilogue

this end is just the beginning for us—one segment of our lives is completed and the walls of our sheltered worlds will never hold strong again. high school has been, for most of us, a period of growing up and of becoming alive. we are aware of this, and so go forth to pursue our own dreams and goals, having learned much from books and more from people.
